

LeadingAge MA is committed to being a resource for up-and-coming professionals. As the trusted and influential voice in the field of aging services, you can count on LeadingAge MA for knowledge, insight and networking.

LeadingAge MA and our national partners at LeadingAge are offering students the opportunity to join both Associations free of charge!

As a Student Member you will have access to...

Networking Opportunities

- Experience student-specific programming at events like the LeadingAge Annual Meeting and the LeadingAge Leadership Summit
- Network with leaders in the field at LeadingAge and LeadingAge MA annual events and educational opportunities.
- Engage year-round with your peers online in the My LeadingAge Member Community to exchange knowledge, solve problems, and share resources.
- Access LeadingAge technical staff expertise representing the full spectrum of aging services.

Members-Only Resources

- Receive the latest aging services research, news, resources and communications right in your inbox, including the LeadingAge MA Member Update, and LeadingAge's student-only newsletter.
- Customize your online learning experience on the LeadingAge Learning Hub by browsing expert-led education on a wide range of topics.
- Leverage member-restricted access to resources, tools, and information, and products on the LeadingAge MA and LeadingAge national websites.

Eligibility: Students must be at least 18 years of age and a full time student of an accredited college or university. They may not be employed by any aging services organization. Part-time students are encouraged to contact us at Students@LeadingAge.org to determine eligibility.

Membership Duration: Once you become a Student Member, your membership extends one full-year post graduation date.

Membership Dues: Eligible students can join both LeadingAge and LeadingAge MA free of charge.
