

LeadingAge®

Massachusetts

PARTNER PROGRAM

As the field of aging services continues to rapidly evolve, businesses that offer effective, innovative solutions to the challenges faced by providers are in ever-increasing demand. Our field's key players trust LeadingAge Massachusetts and turn to us for the trends and information they need. By partnering with LeadingAge MA you not only gain access to a network of more than 200 not-for-profit aging service providers, you join forces with the trusted and influential voice in the field of aging services.

LEADINGAGE MA OFFERS CUSTOMIZED OPPORTUNITIES TO HELP YOU REACH NEW AUDIENCES, CONNECT WITH DECISION MAKERS AND STRENGTHEN YOUR POSITION AS A THOUGHT LEADER

Our partnership programs have been structured with three core goals in mind:

Position our Partners as Thought Leaders who offer critical Business Intelligence
LeadingAge MA members are looking for experts to help navigate the rapidly changing environment. We highlight your expertise and the intellectual capital of your business to help our members understand the important issues in front of them.

Enhance business growth and development for our Partners
With our understanding of our members, we are able to connect our Partners with the aging service providers in need of your expertise. This approach transforms what would be a "cold call" into a viable opportunity. We help our members see you as a reputable source of valuable industry information, not just another sales call.

Offer our Partners enhanced Brand Exposure and Differentiation
We go above and beyond "a la carte" sponsorship, aiming to understand your goals and ideas for creating brand awareness and differentiation. Not only will you have prominent logo placement and ad opportunities throughout the year and a highlighted booth at our tradeshow, you will also benefit from our year-round, integrated approach to Partnership that keeps your company in the forefront of our members' minds.

PLATINUM PARTNER PROGRAM

Your \$15,000 yearly Partnership fee gives you access to a tailored package of strategic benefits which can include:

Member Engagement Opportunities:

- Opportunity to present to LeadingAge MA Board of Trustees
- 4 complementary registrations to all LeadingAge MA in-person events, and 8 tickets to the LeadingAge MA Annual Meeting
